Sir:

Applicant respectfully submits herewith a replacement drawing for Figure 3.

Figure 3 has been amended to appropriately label the communication conducted using the UDP and the communication conducted using the TCP. More specifically, communication occurring between reference elements 301 through 307 are now identified as UDP communications and communication occurring between reference elements 308 through 320 are now identified as TCP communications. This drawing amendment is editorial in nature and does not add new matter to the application.
